The description and pedigree of that splendid saddle stallion, Preston, appears elsewhere. It will be seen that he has defeated all of the crack saddle stallions and all know that he is a fine breeder as well as a show horse. A pair of geldings by him sold for \$5,000, while many of his sons and daughters have reached the \$1,000 mark in sales. J. F. Cook and J. Carroll Bailey have a right to feel proud of the fine fellow. Read the advertisement carefully and see what he has done.

The organ has been put in the Baptist church and all are greatly pleased and unite in saying that it is a much needed improvement. A thorough test was given the instrument Saturday evening by Mrs. F. F. Cummins, and Misses Ella Thompson and Beulah Jordan, all of whom are splendid musicians.

EASY WAY TO CURE CATARRH.

Breathe Hyomei And Kill All Catarrhal Germs. "Money Back If It Fails." Says G. L. Penny.

There is no dangerous stomach drug when using Hyomei. The healing and aromatic balsams which compose this wonderful treatment are breathed through a neat pocket inhaler that comes with every \$1 outfit.

In this way the germ-killing and health giving Hyomei penetrates to the most remote cells of the lungs. It searches out and kills disease germs in the air passages of the head, throat and nose, soothes and heals the irritated mucous membrane and absolutely drives catarrh from the system.

Such remarkable results have followed the use of Hyomei by the best people of Stanford that Mr. Penny has the greatest confidence in its power to cure catarrh. He believes in it so thoroughly that he will give his personal guarantee to refund the money if it does not cure, the purchaser to be the sole judge.

This is an unusual offer and the first time that any medicine or treatment for the cure of catarrh has been sold in this way. If it cures, the expense is trifling, while if it fails, the cost is absolutely nothing.

If you are fortunate enough not to be troubled with catarrh, tell your friends of Mr. Penny's offer and get them to take advantage of it.

GILBERTS CREEK.—Miss Susie Zannoner is visiting Miss Annie Ashlock. Miss Alpha Traylor returned to Lancaster after a visit to her uncle, G. T. Ashlock. G. T. Ashlock is in the city buying goods.

When a woman hasn't any money she can always know where to go shopping.

MORELAND.

Moreland is on a boom.
Asa Peyton lost a very fine cow this week, one he had refused \$100 for.
W. B. Wright and family are visiting his father in Lexington. W. C. Greening was here from Lexington on business.
Protracted meeting is going on at the M. E. church conducted by the pastor, Rev. Walker, and assisted by Rev. A. P. Jones. Good crowds are in attendance.
A movement is on foot to get a street from Moreland Crossing to the Carter lane on the west side of the Q. & C. If this is done the west side of Moreland will come to the front as there are some nice lots that can be sold.
W. B. Compton, chief clerk for B. P. Shewmaker, the Q. & C. agent, has been promoted to the night telegraph job at Moreland. Alonzo Gordon, of Owenton, has taken the position vacated by Mr. Compton. Mrs. Ed Shewmaker is very sick at her home, Beechwood. W. A. Vandiver, of Harrodsburg, spent several days with B. P. Shewmaker.
Hunn & Coffey, merchants have purchased the old Bridgewater stand and moved the building to make room for a large ware house, which they have completed and unloaded in it a carload of wagons, plows, salt and a full line of stoves and hardware. They have repaired the old building and rented it to J. H. Minks, who will move the postoffice to it. They have also built an office for our produce shipper, A. Slaughter, and built a new side walk in front of their building and set out shade trees along the pike, which will add to the looks as well as to the comfort of our town.

HUBBLE.

The farmers are busy sowing oats. L. C. King is up from a spell of grip. A dishwasher has arrived at the home of James Jones and wife.

The county road via A. C. Carman's farm, which has been discussed for years, is now opened up.
The quarterly meeting was held at the Methodist church Tuesday morning and night by the presiding elder, J. W. Simpson, assisted by the pastor. E. B. Miller spent a few days with homefolks in Mt. Vernon while his son, Frank, was here looking after the interest of his farm. Dr. W. F. Hickie has returned to the Medical College at Louisville, after a few days visit with relatives and friends here.

"DO IT TO DAY"—The time-worn in junction, "Never put off 'til tomorrow what you can do to day," is now generally presented in this: "Do it to-day." That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

C. M. Strader, a Louisville man who died March 6 in a Philadelphia hospital, directed two days before his death that his body should be cremated and the ashes scattered "on the waves of the beautiful Ohio river." It was the eccentric request of one not believing in the hereafter, but his wishes will be carried out Thursday at midnight before guests specially invited.

Tragedy Averted.

"Just in the nick of time our little boy was saved!" writes Mrs. W. Watkins, of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound and well." Everybody ought to know it's the only sure cure for Coughs, Colds and all Lung diseases. Guaranteed by G. L. Penny, Druggist. Price 50c and \$1. Trial bottles free.

Attorney General Hays will be congratulated upon his attack on Gov. Beckham, and Gov. Beckham will be congratulated upon his reply to Attorney General Hays. Mr. Hays will be congratulated by the republicans and Gov. Beckham by the democrats.—Glasgow Times

Bryan's counsel sought to have the "sealed letter" admitted as evidence, and the argument consumed the best part of the session of court.

In Memory Of Miss Martha Pearl King.

As a soft summer breeze that gently dies away in the leaves, or a lovely rose that fades before us, even so was the passing of the life of Martha Pearl King at dusk of March 19. To those who knew her, it seems that no sweeter, braver spirit could have animated a fairer or more flower-like form, for as a gentle "Elae," a pure "Lily-maid," she walked among us, and in all the safety and calmness of a lovely christian character will her spirit's white bark be guided over the river of death. Pure-hearted lives like hers, though given to us but for a short time, radiate such joy and sweetness while with us that they live in our hearts always.
The life of the rose may be fleeting, but the memory of the rose is undying. With all of life's sorrows, patience and strength to bear them. Those left waiting must tread with firmness born of Christ the path marked out, till they too, shall cross to the other side, where the loved and "lost for awhile" will be found again, and where spirits live always in the joy of eternal, reunited bliss.

It Saved His Leg.

P. A. Danforth, of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, Wounds, Piles, it's the best salve in the world. Cure guaranteed. Only 25c. Sold by G. L. Penny, druggist.

"Naw," said little Albert, "I don't go to Sunday school no more."
"Why, I am surprised," said the Friend of the Family. "Don't you intend to go again?"
"If they begin giving trading stamps ma might send me back again," the sagacious child replied.—Chicago Journal.

It Never Disappoints.

F. J. Williams, proprietor of the Hamilton Drug Co., Hamilton, Ohio, says Chamberlain's Colic, Cholera and Diarrhoea Remedy is practically the only remedy he sells for cramps, diarrhoea and colic, for the plain reason that it never disappoints. For sale by W. N. Craig.

Mrs. Edward Stevens, who was Miss Nannie Hopper, is visiting her family here. Of late years she has resided in Mexico, as the climate is better suited to the constitution of her children. She with her bright boys will return to her western home next week.

All the Lancaster boys are working hard training for contests in athletics at the Blue Grass Graded School Tournament to be held in Nicholasville May 26, 27 and 28. People are taking great interest in the State Tournament to be held here in June, for it promises to be the best held in the State.

The Somerset Journal takes sides with Gov. Beckham in the controversy with Attorney General Hays and pays his respects to the latter gentleman in a hot editorial. Seems to us the Frankfort gentlemen are able to take care of themselves in the quarrel and that outside help is entirely unnecessary. Brer Campbell thinks to the contrary, however, and is wading in with might and main to help his warm friend, the executive.

The beef trust has raised prices again for no other reason than an insatiable greed and because it can. The republican administration, which wants to parade as a "trust buster," should recognize the fact that the matter is up to it. If there is any virtue in the Sherman act to work the greed of monopolies it is time now to give it judicial demonstration.

OWEN MCINTYRE, an experienced newspaper man, has bought the Anderson County News and will take charge at once. Mr. McIntyre was once one of the editors of the Danville Advocate.

POLITICAL.

Sioux City, Ia., elected a democratic mayor and a majority of the city council is democratic.

The influence of John W. Yerkes is said to have been secured in the effort to oust Dr. T. H. Baker and J. A. Craft, the postmaster and collector of internal revenue respectively, in Louisville.

A bill was introduced by Senator McCreary to pay the M. E. church of Bryansville, \$2,000 for damages inflicted by union troops in the civil war. It was referred to the proper committee.

The Sapp faction of Republicans in Louisville is now seeking the offices held by Postmaster T. H. Baker and Collector J. A. Craft. It is said that James F. Grinstead is favored to succeed Dr. Baker.

The New York World, which has been booming former President Grover Cleveland for renomination, gives up the Cleveland fight, and now leans toward Judge Thayer, of Missouri, or Judge Parker, of New York.

The Indiana democratic State convention will be held at Indianapolis on July 20 to nominate candidates for State offices, while delegates to the democratic National convention will be selected at a convention May 12.

Frank Campbell, chairman of the democratic State committee of New York, says that the indorsement of Judge Alton B. Parker for the presidency by New York is practically assured as the result of Tuesday's primaries in that State.

The people sleep while franchises are being stolen and while monopolies are being established, and then they wake up and wonder why burglarious officials took advantage of them. Vigilance is the price of liberty.—Bryan's Commover.

With 257 instructed votes in the republican convention for Roosevelt his friends are claiming that he will be nominated by acclamation.

In an opinion handed down Attorney General Hays holds that the 50 per cent. of fines secured by a Commonwealth's Attorney in any year can only be used to pay his salary up to the \$4,000 limit fixed by the statutes and that the surplus cannot be devoted to paying his salary for the succeeding year. Senator Gorman in a speech in the Senate demanded an investigation of the postoffice scandal and said a mysterious power was at work to prevent publicity. Mr. Gorman said the administration was ruling Congress, which could pass no bills until they had first been considered at the White House. He denounced the plan for the early adjournment of Congress as an effort to hide the corruption of the republican party.

Attorney General Hays has issued a statement in response to Gov. Beckham's answer to his criticism on the governor's veto of the bill allowing three assistants for the attorney general's department at a yearly cost of \$6,200. The attorney general insists that if the bill had become a law it would have saved the State money. He charges that the governor approved the order paying \$4,500 to three attorneys in the insurance franchise cases that brought not a cent of revenue to the State. He says if the governor insists that part of the money already expended should be charged to the administrations of Govs. Bradley and Brown, he should assume the estimated cost of the unfinished work under the ex-auditor, which is \$60,000, which would make the annual cost \$24,457.94.

Building contractors from many localities are now with us daily, figuring upon the plans and specifications of the new brick buildings that are to adorn our business thoroughfare during the coming Summer. We need at least half dozen or more cottages built immediately, all of which can be rented at prices that will pay good interest on the investment. Parties wanting better than bank rate of interest on their money should investigate.

Noting with pleasure the impetus given your city since the inauguration of a graded school and the enhanced value of property not only within your city limits, but for miles around, our people have decided to follow in your foot steps and today a graded school is ours. The boundary lines have been fixed and agreed upon by a majority of the trustees in all the districts effected by the change. The district is large and covers an area of about 25 square miles, consequently the burden of taxation will be very light, especially as compared with the many benefits enjoyed by every community blessed with a graded school. With our building boom and graded school we expect to double our inhabitants in a few years.

During Judge Stoddard's argument in the Bennett will case at New Haven, Mr. Bryan attempted to answer charges that he was hiding evidence that Mr. Bennett had changed his mind concerning the \$50,000 legacy, and the court ordered him to sit down.

The trustees of Berea College, at a meeting in Cincinnati, decided to ask for an injunction restraining the officials of Madison county from carrying out the provisions of the Day law on the ground that it is unconstitutional. Conductor J. F. Beauchamp, of the Q. & C., and City Marshal S. H. Daniels, of Burgin, who engaged in a shooting affray, are both getting along nicely. Nine shots were fired and the trouble arose over Beauchamp's permitting his train to stand on a crossing too long. The Danville chapter United Daughters of the Confederacy will in a short while erect a handsome monument in Bellevue cemetery there in memory of the Confederate dead who are buried there. I will sell at public auction on the premises on THURSDAY, APRIL 17TH, 1904, at 2 o'clock p. m. my home place situated in Boyle county, Ky., about 1/2 mile from town of Danville on Pleasant Hill turnpike. The place contains 36 acres of fine land, all in grass except the garden and is well watered by a branch and never failing spring, from which water is piped to the dairy and to troughs. There is on the place a frame dwelling house of eight rooms, servant rooms, carriage houses, large barn and other houses and is unusually well supplied with large and small fruits, grapes and berries. Considering the neighborhood and proximity to town of Danville it is a fine place for any one wanting a bright and cheerful suburban home and is unusually well arranged and located for a fruit, dairy and garden farm.

TERMS OF SALE.—One-fourth cash and balance in 1, 2 and 3 years with interest from day of sale, payable semi-annually. Will be glad to show place to any one or give information by letter. MARY M. FOX, Danville, Ky.

KENTUCKY'S ARTIST.

No. 1455 IV A. S. H. R.

This premium saddle and harness stallion will make the present season at Logan Hurst Farm, four miles from Danville and six miles from Stanford.

Kentucky's Artist is a beautiful chestnut, 8 years old, with three white feet, 15 3/4 hands high, a perfect model in form, with great style and action.

Kentucky's Artist was sired by Artist Montrose, No. 1, winner of the great sweepstakes prize at the World's Fair, he by Artist, No. 75, he by King William 67, he by Washington Denmark, 64, by Gaines Denmark, 61. Artist Montrose 1st dam Bailey, by Montrose, 106, tracing to Denmark f. s. and dam by said Stocking, 67, by Tom Hall, f. s.

Artist 75, dam Lucy, No. 50, by Brucher's Drennon f. s.

Kentucky's Artist 1st dam Julia Thomas, by Pat Denmark, he by Sumpter Denmark; and dam Lucy Thomas, by Nero, he by Thompson's Morgan; 3rd dam Cooper, by Patrick's Copper Bottom, 4th dam Dovey, by Barnes' Whip, of Howard county, Missouri, he by Blackburn's Whip, of Kentucky.

Kentucky's Artist has shown against and defeated all the great stallions in Kentucky and Missouri, among them such horses as the \$5,000 Montgomery Chief owned by Ball Bros., the great and noted show horse, Preston, owned by Pat Dolan.

Kentucky's Artist is only 4 years old and is regarded by Kentucky's best judges to be the most perfect gaited saddle stallion in the State. I will be glad to show him to any one at my stable and invite breeders of fine horses to come and see Kentucky's Artist before breeding. I stand him at \$20 the season or \$25 to insure a living colt. I don't want your money until you have gotten value received.

BLUE EYES

The great little Shetland pony will make the season at \$10 to insure a living colt. We have sold his weanlings at from \$200 to \$75 per head.

A. E. HUNDLEY, GUY L. HUNDLEY.

DORSEY GOLDDUST 12052.

FULL BROTHER TO ESTELLE 2191 1-4

Sired by Zilcadi Gedard 4400—by Goldust 120, and he by Vermont Morgan. (Dorsey Goldust's grand dam on sire's side was by the imp. Arabian Stallion Zilcadi.) His dam is Florence, by Golden Mingie Chief, a son of Gaff's Morgan, making him intensely inbred. Morgan Stallion, descending from Justin Morgan on both sides. The best family of road horses ever known.

Dorsey Goldust is a dark dappled bay, full 16 hands and weighs 1200 pounds; a proven and uniform breeder of high-class road and eastern horses, combining all the qualities for saddle and harness and are in demand at top prices. Both the champion saddle and combined gelding of the American Horse Shows of 1902-3. Jack O. Diamonds stands to his credit, 10 of his colts sold last year for \$10,000 and \$1,500 was refused for a walk-in mare by him. His services are offered for less than any horse of his producing qualities in Kentucky. Will stand at my farm near Stanford at

\$20 TO INSURE A COLT.

French Coach Stallion.

QUASI NO. 2127.

In French Coach Stud Books of America, also in Republique Francaise Haras Nationaux No. 12863.

Winner of first prize at the National Universal Exposition, Paris, 1889-90, competing with over 60 stallions in show ring.

Imported by W. H. Tichenor & Co., of Chicago, in 1898. Color bay; black points, snail star, 16 1/2 hands high, weighs in working order 1,350 pounds. Sired by the French Government Stallion, Franse, dam Charmante by Le Dord, and dam by Revolver (extended pedigree framed)—Quasi has never been beaten in the show ring. A sure breeder of large, fine, high style and big acting colts and very kind to handle. I invite the attention of breeders to my colts by him to be seen on my farm, 30 of his get out of all kinds of mares.

Quasi will make his present season of 1904 at my farm, 4 1/2 miles from Stanford on the Hustonville pike at

\$15 TO INSURE A COLT.

Money due when colt drops or mare parted with by breeder. Mares kept at \$6c. per week on grass; no responsibility for accidents or escapes. The best of careful handling given and no accidents so far.

Tom Keene, Jr.

Will make the season at same place at \$8 to insure a colt. This jack is almost a counterpart of his sire and from his breeding should prove a high class male jack. Old Tom Keene, his sire, had no superior and breeds on through his colts. His 1st dam is by Cleaver, and by Giant, 3rd by West End, 4th by Great Western.

MCCORMACK—Mr. Emmett McCormack, one of the West End's good citizens and democrats, announces this issue his candidacy for assessor, subject of course, to the will of the democratic party. For years this clever gentleman has been a hard worker for his party, always in the thickest of the battle for democracy, and having fought so valiantly he and his friends think he is entitled to some recognition now. He will thoroughly canvass the county and being a splendid mixer, he promises to be a formidable candidate for the office he aspires and which he is well equipped to fill. Everybody knows "Emmett," as he is familiarly called, and everybody likes him.

FLORENCE—George D. Florence, of this place, representing the Ciceronian Society, won the primary contest of the societies at Georgetown the other night and will represent Georgetown College in the intercollegiate oratorical contest, which will be held at Lexington on the night of April 8. There were five speakers and all were good. The judges decided unanimously that Mr. Florence deserved the first prize. The subject of his oration was: "The Magic of To-day." Mr. Florence, taking the "almighty dollar" as typical of the magic of the present century, dwelt upon its baneful influence when turned into the channels of evil. In contrast to this he presented the unbounded good for humanity which can result from its possession when rightly directed.

The burial will occur at 3 this afternoon and friends are invited to join the procession in town. On account of the mother's condition they will not be expected at the home.

SHOT HIM.—Green Ferrell shot and probably fatally wounded Burrus Smith, also colored, at Logantown, Tuesday evening. A shot gun was used and the load took effect in Smith's side. The trouble came up over Ferrell putting his dogs after Smith's hogs. Ferrell claims that Smith had threatened to kill him and was advancing on him in his Ferrell's yard. The wounded man is a preacher. LATER Smith died yesterday evening. Ferrell is in jail.

GOOD SHOW AT OPERA HOUSE.—The McDade Fun Makers begun an engagement at Walton's Opera House last night in Vaudeville, for the purpose of advertising the great German Medicine. This company comes well recommended and good crowds will no doubt attend each night. The admission is only 10c. Dr. St. George F. Ashby, the German physician, has his office at the Opera House daily, where he can be consulted free of charge. Call and see him.

CARSON—Mr. W. A. Carson, who was a wheel-horse democratic worker when he lived in the East End, has gotten into politics again and announces this issue for assessor. He has given the race much thought and believing that he can secure the nomination, has gone into the fight to win. Mr. Carson is a christian gentleman, a good citizen and neighbor and he has scores of friends who will assist him in helping him into the good office. He will call on the democratic voters in due time and give his grounds for asking their support.

THE Ladies' Aid Society of the Christian church of Crab Orchard will have an exchange and auction at 2 o'clock Saturday, April 23. Col. J. P. Chandler will be the auctioneer.

THE McDade Fun Makers gave a fine show at Walton's Opera House last night and the wonder is how they can give so much show for 10c. The performance lasted 2 1/2 hours and was good from first to last. Dr. Ashby, the German physician, is an interesting lecturer. The company will show each night until further notice.

JESSE C. LYNN left this morning to take a position with Snowden, Seal & Richey, live stock merchants, of Cincinnati. He asks us to say again that he is still a candidate for sheriff and that he will be until the nomination is made and he thinks he will be the nominee. Office over McRoberts' Drug Store in the Wesley Building.

PRESTON, NO. 922.

This premium saddle stallion of the world will make the season of 1904 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 12 years old, 15 1/2 hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Roderick; 2nd dam by a Denmark horse.

Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by J. T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why should he breed to Preston?

1. Because he is the greatest show horse Kentucky ever produced.

2. Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to George Watson for \$650; Miss Henrietta, owned by Gay Bros., that won more premiums in saddle and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3. Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000.

4. Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5. Because he has won more money in the show ring than any other saddle stallion in Kentucky.

6. I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$10 the season or \$15 to insure a living colt.
